### KEY FEATURES

Multi-position handlebars provide a variety of grip options for all users

Low profile shroud allows easy on/off access

One-touch seat adjust allows quick and easy height adjustment

Padded oversize seat enhances comfort

Fore and aft seat adjustment for proper knee alignment while riding

Optional seat adaptor allows users to attach their own bicycle seat

The C520u features a state-of-the-art tri-color dot matrix display with CardioAdvisor™ for accurate heart rate feedback. Multiple programs keep workouts fresh.
